

**Bankhead-Coley Cancer Research Program
Call for Grant Applications:
Team Science Program (TSP) Grant
for Cancer
Fiscal Year 2011- 2012**

Amendment # 1

The following is an important update to the Bankhead-Coley Cancer Research Program Call for Grant Applications: Team Science Program (TSP) Grants for Cancer, Fiscal Year 2011-2012

The purpose of this amendment is to clarify the Program's intent regarding the percentage of work that must occur in Florida. This clarification is reflected in the following revision.

Chapter 8. Allowed and Disallowed Costs, Work Must Occur in Florida

Replace the following sentence:

Ninety percent of work (effort) must funds must be spent in Florida at the applicant organization and any collaborating entities.

With the following sentence:

Ninety percent of work (effort) must occur and 90% of funds must be spent in Florida (at the applicant organization and any collaborating entities located in Florida).
